Live Auction Vehicle Detail: Houston, TX
December 15-16

LOT NO. 757
YEAR 1968
MAKE/MODEL Ford Chitty Chitty Bang Bang Assembled

This vehicle was specially built for the 1967 hit "Chitty Chitty Bang Bang" and was created by the Ford Racing team. It weighs approximately 2 tons and is 17 feet long. It features a ladder-frame chassis and was built to exhausting specifications designed to fool classic car experts as well as performing all the stunts required: such as driving in sand and on cobbled streets, going down a staircase and of course, flying. **SOLD ON BILL OF SALE.**
